i agree! Even though its not the greatest food, at least they have it. There are man see more

Boring_Invite_ 2 points · 11 months ago

yup, all my fellow Americans do is complain, complain, complain. They rather whine and have someone else fix their issues then to be self sufficient.

hey daddy

Boring_Invite_ commented on It turns out i have the facial hair gene in my family i.redd.it/dpieua... MTF · **r/GaySoundsShitposts** · Posted by u/Olea2 PURPLE FLAIR!

Boring_Invite_ 8 points · 1 year ago

same here, My hair would grows back within hours and ALWAYS be viable no matter how clean i shave. i've been doing laser hair removal. painful as fuck and even more painful to my wallet. But worth it. You'll be looking to pay around 1500$ for 7-9 session.
